

HEY, SUPERSTAR!

Thanks a bunch for totally ruining this movie for me!

Next time, try thinking about the fact that there might be people in the theater who actually **do not enjoy paying money to listen to you talk.**

DO I KNOW YOU?

No? I didn't think so.

Now stop invading my personal space.

There's plenty of room for you to be elsewhere at the moment; close enough for me to smell you just isn't an option right now.

HEY, GOOD LOOKIN'!

I realize you might be having a cuticle emergency right now, but it would be really awesome if you'd **stop clipping your fingernails in public.**

HOWDY, NEIGHBOR!

I appreciate your attempt to be courteous!

But saying "excuse me" in a tone of voice that really means "fuck you" doesn't make you polite – it makes you a prick.
